### Concessions/Booth Information

All vendors must provide proof of general liability insurance. All requirements will be discussed with the vendor if and when they are contacted about their services. All vendors must have proper local and state licensing as required, also a state mobile food unit license if applicable. Daily Vendors/ Food Vendors must be set up and ready for business no later than 10am each event day or by 8 am if serving breakfast. Booth is to remain open throughout entire day.

You must provide your own table, tent or any materials needed. Please write a description of what you will be setting up (tent, table, cart size, etc) and if power will be required (additional fees may apply for power)

Approximate amount of space that will be needed to set up.

Food vendors will be required to be available for the entire event weekend and provide trash cans and bags beside their concession. All concession areas must be cleaned up by the vendor. A dumpster is available onsite for disposal off all trash prior to leaving the park.

Thank you for your interest in becoming a vendor for Moccasin Creek OffRoad Park. All applications will be considered and contacted based upon the parks need and the services offered.
